

Slips, Trips & Falls

Many workplace accidents are caused by slips, trips and falls

- 1 Keep floors and access routes clear.**
- 2 Don't create any slip or trip dangers.**
- 3 Don't let waste build up.**
- 4 Mark spills and wet areas immediately.**
- 5 Report trailing cables, uneven walkways and poor lighting.**
- 6 Report or remove loose objects on walkways.**
- 7 Don't run - pay attention to where you are going.**
