

### Special Offer Exclusive to Newsletter Readers Only

To mark the upcoming European Week for Safety & Health at Work, we have 3 Instructor Training Packs available.

Musculoskeletal disorders (MSDs) are the most common work-related health problem in Europe affecting millions of people every day - just over 27% of workers experience backache and 23% report muscular pains.

#### Why not bring your Manual Handling and Workstation Safety presentations to life!

EazySafe Presenter is a multimedia DVD presentation designed for use by Health & Safety Instructors in the delivery of their training. It offers multimedia elements including moving animations, sound, text and still visuals. All content is fully editable, meaning you can change existing text or add in your own. Furthermore, new slides, company logos, digital photos, etc can easily be inserted. If you can use PowerPoint you'll be able to use EazySafe Presenter!

#### So what's in each pack?

- Each training presentation comes with supplementary material including Course Training Records, Course Evaluation Sheets and a Trainer Guide
